

## **SAFETY CERTIFICATE**

### **To Whomsoever it may concern**

On the request of Principal Minto Circle English Medium High School, Allochi Bagh, Srinagar, Kashmir, I have personally visited the said school and visually inspected the building in subject. The building in subject is R.C.C framed structure (G+2 with Attic) and seems in good condition, free from any substantial structural cracks. There are no differential settlement or cracks in any structural elements. As such the building seems structurally stable and safe for the normal schooling activities.

This certificate is issued subjected to the condition that the said school building is not subjected to any overloading/natural calamity/ Force Majeure.

This certificate is issued based on the condition of the building on the date of inspection and is valid for 1 year provided no major structural alterations or damages occur during this period.

**Issued on 8th day of August, 2025 at Srinagar.**
